

INDULGING in wishful thinking are (seated) DeMolay members Dwight Hanna (left) and Darryl Lee who wish to give the impression that DeMolay mothers who will cook for the spaghetti dinner Saturday, June 13, will be at their wits end in trying to satisfy such monstrous appetites as are displayed here. Mrs. Sabina Abramson (left), president of DeMolay Mothers Circle, and Mrs. Rose Schmidt, first vice-president, have decided to pretend great distress though they know that there will be more than enough for all who come to the dinner at the central guild hall, Arlington and Marcelina, at 6 p.m. The fund-raising dinner is open to the public.

KNOW YOUR REALTY BOARD

From New England, steeped in history and legend, hails our Realty Board Member-of-the-Week. From Worcester, Massachusetts, a cradle of inventions and the home of men who invented the cotton gin, the carpet weaving machine and the sewing machine, comes Frank A. Young, somehow or other, found his way to our growing city.

FRANK A. YOUNG
... from New England

Veteran
Frank Young has not always been selling real estate. He is a World War I veteran, and during World War II he was engaged in a civilian capacity by the Air Force, establishing property record and warehousing methods at various air bases. During his early business life he was engaged in the insurance business in several cities in New York, Florida and Mississippi, and for ten years he operated his own printing plant in Tampa, Florida.

Gretchen Earles' office at 1409 Sartori avenue, Torrance, has Mr. Young's Real Estate Salesman's License on its walls, and from this location Mr. Young manages his Agency for both General Casualty and Life Insurance. Mr. Young has a Business Opportunity License with the Howard J. Percy Investment Corporation, 2224 Torrance Blvd., Calif.

Three Sons
Julia Mae and Frank Young are justifiably proud of three fine sons, Dr. Frank A. Young of Pullman, Washington; S/Sgt. Robert A. Young with the USAF; and Donald A. Young, formerly of Oakland, Calif., and now living at the family home, 1547 Torrance Blvd., Calif.

As the newly appointed Publicity Chairman of the Torrance-Lomita Realty Board, Frank plans to keep our Realty Board's activities in front of the Torrance citizenry. As well as being a member of the State and Local real estate organizations, Frank is a member of the American Legion, the National Exchange Club, and The Toastmasters.

Farm Areas Need Help, Bureau Says

A call for farm-help has been issued by the Farm Labor Office, 16407 S. New Hampshire ave., Gardena.

The southern area of Los Angeles county and other areas of the state need farm workers. Such as general farmers, machine milkers qualified to handle heavy strings of cows and unskilled farm jobs are often hard to fill. Flower work, vegetable harvest work and further north many fruit harvests, including strawberry picking, need help.

Farmers are urged to place orders for workers. Maps and further information may be obtained from the Farm Labor Office.

He who closes his ear against the cry of the poor will himself also call and not be answered. —Proverbs 21:13
